

MAKING A DIFFERENCE TOGETHER

Santa Barbara Clean Energy invests in renewable energy with incentives for you!

Santa Barbara
CLEAN ENERGY
CHOOSING RENEWABLE ELECTRICITY

HOW IT WORKS

Santa Barbara Clean Energy buys clean energy, and Edison delivers it to you. This partnership gives you reliable service and helps us reduce greenhouse gas emissions while reinvesting locally.

*Santa Barbara
buys and builds
carbon-free energy*

*Edison continues to deliver
energy to your home or
business while maintaining
poles and wires*

*Local control,
reliable & renewable electricity,
cleaner air,
better community*

Santa Barbara Clean Energy (SBCE) is your default provider for the energy portion of your electric service. SCE continues to deliver power to your home or business, maintain the grid and all equipment, open and close accounts, provide billing and collection of payments, and provide customer service and field service (including during power outages). There are no changes to automatic payments or level rate pay plans.

You only need to take action if you want to opt out and remain a bundled SCE customer. To opt out, without penalty, you must call (805) 897-1979 or visit our website at www.SBCleanEnergy.com. You may also call or visit our website for additional information.

Si le gustaría recibir este aviso en español, visite www.SBCleanEnergy.com o llame (805) 897-1979.

ENROLLMENT: Per Assembly Bill 117 you were automatically enrolled in SBCE, unless you opted out, on your scheduled meter read date after October 1, 2021.

OPT OUT: You have the right to opt out of SBCE. If you decide to opt back in to SCE after the 60-day opt out period, SCE will charge a one-time account processing fee. By opting out, you will also be subject to SCE's then current rates, terms and conditions of service. For details on SCE's rates, terms and conditions, please visit sce.com. You will not be charged any fees if you opt out within the first 60 days after your automatic enrollment with SBCE or if you cancel electric service altogether (for example, if you move). If you opt out, you will still be charged for all electricity you used before the transfer of electric service. Accounts will be transferred on the day the electric meter is read and cannot be transferred during the middle of a billing cycle. In order for your request to be processed on your next meter read date, your request must be received at least 5 business days prior to the date on which the meter is read. To opt out, please call SBCE or visit www.SBCleanEnergy.com. Have your electric bill handy so that we can process the request.

BILLING: Each month, SBCE customers receive a single monthly bill from SCE. This bill includes all recent electric charges, including SBCE's power generation charges. For your convenience, SCE forwards your payment for the power generation portion of the bill to SBCE. SCE will continue to charge you for the Transmission and Delivery services they provide. **FAILURE TO PAY:** SBCE may transfer your account to SCE upon 14 calendar days' written notice to you if you fail to pay any portion of the SBCE charges on your bill. If your service is transferred, you may be subject to additional requirements by SCE.

CARE PROGRAM: If you are currently enrolled in the California Alternative Rates for Energy (CARE) program, you will continue to receive all CARE benefits and discounts upon enrollment in SBCE. **TERMS AND CONDITIONS OF SERVICE:** SBCE electric generation rates are very competitive. Available rates can be reviewed at www.SBCleanEnergy.com or by calling (805) 897-1979. Any changes to SBCE rates will be adopted at duly noticed public meetings of the Santa Barbara City Council.

SCE also charges SBCE customers authorized fees for delivering power to your home or business and for providing other services. These components of your electric bill are the same whether you buy electricity from SBCE or SCE.

The choice is YOURS!

You can choose 100% clean energy, more carbon-free energy at the same rate as Edison, or get paid more for the solar energy you produce.
